

DISHWASHERS

Break Tank

The Blizzard Storm Dishwasher, includes a WRAS approved Integrated breaktank which is compliant with the [Water Supply \(Water Fittings\) Regulations in England, Wales and Northern Ireland](#) and under the [Water Supply \(Water Fittings\) Byelaws in Scotland](#).

Surface Filters

Fitted on all BT Dishwashers, surface filters provide a second level of protection preventing larger debris entering the wash tank.

Storm Range Glass & Dish Washers

Storm Range

Blizzard Storm Range - a range of front-loading dishwashers and glasswashers with modern design - ensures a high washing performance and an elevated productivity, along with efficient water consumption. All models are specifically chosen to make the range a solution for all requirements.

EASY SET UP AND OPERATION

HIGH PERFORMANCE

ERGONOMIC

DURABILITY

FEATURES:

- High grade 304 stainless steel construction
- Pressed tank and rounded corners to aid cleaning of machine
- Double skin door for quieter running and improved efficiency
- Rotating wash and rinse arms removable for cleaning
- Fitted with break tank and rinse booster (BT dishwashers only)
- Surface filters as standard on BT dishwashers only
- Automatic detergent and rinse aid dosing
- 3 cycles - 90/120/180 secs
- **Thermo-stop** function ensures a hot rinse temperature on every cycle
- Adjustable wash and rinse thermostats
- 3/4" BSP water inlet hose included
- Gravity and integral drain pump models available
- Manual COLD rinse option (STORM40 and 40DP models only)
- Cold or Hot water supply max. 60°C at 2 – 4bar (excl. STORM40)

Recessed door handle

Ergonomically designed door handle for easy opening and a flush finish.

Easy cleaning & maintenance

Easy to clean interior with rounded corners in wash tank, removable wash and rinse arms and specially designed wash filter (catches and contains debris within bottom flange).

Reducing the risk of debris falling into the wash pump or drain when the filter is removed for cleaning.

User-friendly control

Intuitive electro-mechanical control panel built with on/off and 3 cycle selection buttons.
