

**GUARDING AGAINST THE LOSS
OF YOUR CUSTOM RECIPES**

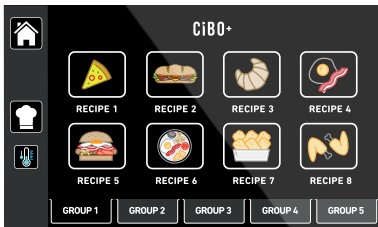

by **Lincat**

HOW TO **BACKUP YOUR RECIPES**

VIA USB

From Homescreen

- Press "Chefs Hat" 
- Press "Cog" 
- Press "Software and Data"
- Press "Recipe control"

Software & Data 

Recipe Control 

Insert memory stick

(behind lower grill)

Unit will beep to confirm the stick is valid

- Press "Export recipes"
- Press "Confirm"
- Press "Home" 

-  Loading saved recipes is the same except the last action is **"Import recipes"**

We recommend creating a backup of custom recipes to guard against loss due to user error or oven failure.
