

STAINLESS STEEL SINK - DR365 FLATPACK

DIMENSIONS

This 1500mm wide flat-packed sink from Holmes features a left side drainer with right side bowl, and is simple to assemble. With the benefit of a high quality 304 stainless steel construction, the sink is strong, easy to sanitise and highly resistant to rust and stains making it perfect for use in commercial kitchens. Ideal for creating practical, hygienic washing areas the sink also features a strong undershelf for the additional storage of utensils and cleaning supplies.
