

NEW EXTRA WIDE SINGLE CONTACT STAINLESS STEEL GRILLS

Description

Our range of single and double contact grills have been a firm favourite within the Blizzard catering range for years now and we have listened to feed back and brand new for 2026 we are introducing a brand new extra wide single contact grill range too!

The grill features the same durable stainless steel build, cast iron griddle plates and manual controls of its standard width siblings but operates of just a single contact with a wider griddle space. A counter weighted top plate allows easy operation while being heavy duty enough to offer even weight distribution.
