

Infrared Food Warmer

A portable food warmer with two infra-red lamps, this Buffalo Food Warmer is a great low energy solution for buffets, carveries and assisted service catering. A long power cord makes this portable and low maintenance machine well suited for event and mobile catering, or as a supplementary heating device. Ventilated aluminium reflectors. Adjustable height of 600mm - 800mm for variation of heat intensity. Fits GN 1/1 pans (not supplied).

Features and Benefits:

- Long power cord allows it to be placed away from mains if needed
- Adjustable lamp height to alter intensity of warming
- Portable weight and size allow for easy transport
- Low maintenance heating for buffets and assisted service catering
