

PC140G

PIE MASTER PIE CABINET WITH GLASS BACK

Ideal for use in stadiums, events and high turnaround takeaway establishments, the Parry PC140 pie cabinet has a huge 140 standard pie capacity. Perfect for storing other pastries such as sausage rolls, the cabinet features an internal light to encourage impulse purchases. The sliding toughened glass doors help to retain the internal temperature while the stainless steel construction ensures that the unit is both sturdy and easy to clean. The cabinet also features an internal water reservoir which helps to maintain the quality of the food, reduces waste and saves money.
