

Vegetable Preparation Equipment

In collaboration with our sister company, IMC, a selected range of vegetable preparation equipment is now available from Lincat.

Effortless convenience meets dependable quality in the IMC range of vegetable preparation equipment. Designed and built to give you years of trouble-free, low-maintenance service, the range includes quiet, compact peelers for smaller kitchens, upright peelers for medium to large catering operations, and an ultra-fast, compact and versatile potato chipper. All feature the IMC stamp of quality with the highest standards of safety, hygiene and ease of use.

Compact Potato Peelers

- Small footprint and quiet operation - ideal for smaller kitchens
- Robust stainless steel and cast aluminium construction
- Interchangeable peeling chambers for easy change of capacity
- Heavy duty belt and pulley drive
- Corrosion-proof cast aluminium peeling plate
- Safety interlock on cylinder
- WRAS approved Class A air-break with brass spray nozzle
- Easy to use manual timer
- Non-handed controls

LPP35
