

Manual Fill Water Boiler

Fully commercial and with a powerful 2600W concealed element and 30 litre capacity, the Buffalo manual fill water boiler is perfect for B&Bs, mobile caterers, staff rooms, or anywhere water is required to be boiled without being attached to a water supply. Featuring easy to clean and hygienic fully welded stainless steel construction and user-friendly controls, the urn is a versatile and durable addition to professional catering establishments. The water urn also includes a drip-free tap and handy "power on" and "water ready" notification lights. Supplied with robust handles for easy transportation.

Features and Benefits:

- Concealed Elements for Easy Cleaning
- Non-Drip Tap
- Tap Height: 138mm
- External thermal reset button
