KB6 Blast Chiller 20kg

52-102

Intuitive. Affordable. Practical for busy kitchens.

About the product

Why choose this product

KB6 provides fast, reliable chilling that helps protect the quality of every dish.

With 20kg chilling capacity across 6 levels, it rapidly reduces food temperature to help preserve texture, quality and freshness while ensuring food safety in busy kitchens.

Intuitive touchscreen control, with an IP65 water protection rating, makes everyday operation quick and simple, helping your team achieve consistent results with minimal training.

Easy-to-use programmes take the complexity out of blast chilling, making specialist food preservation straightforward.

Designed for the demand of busy kitchens, the KB6 delivers the control, consistency and ease of use you need.

Specification

Technical		Dimensions	
Thermal heat rejection (W)	550	Height (mm)	880
