

Datasheets

Roasting and baking pan, large

Article number

60.73.2xx

Description

The wave-shaped base ensures even browning and the TriLax non-stick coating also prevents products from sticking. The carrier plate enables easy and safe handling with large loads.

Intended use

This product is only intended for commercial use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. Any other use runs counter to its intended purpose, and could be dangerous.

Variants

60.73.272	Frying and baking pan 25cm
60.73.216	Carrier plate
60.73.287	Set (2 piece including carrier plate)
