

Round Plate Electric Range

OE7016

Opus 700 is a range of high quality prime cooking equipment designed and manufactured by Lincat to be robust, durable, incredibly reliable and stylish too.

Oven ranges are at the heart of the busiest commercial kitchens. So, wherever gas supply is impractical, the Opus 700 round plate electric range is ideal. Combined with a large twin-fan assisted oven it brings speed, capacity and reliability to the all-electric kitchen.

Essential Facts & Figures

Model	Oven	Hob	Total power (kW)	Rating per hot plate (kW)	Oven rating (kW)	Width (mm)	Oven internal dimensions HxWxD (mm)
OE7016	Electric twin-fan	6 round electric hot plates	21.6	2.6	6	900	420 x 805 x 525

Features & Benefits

Hob

- High speed 2.6kW hot plates provide rapid heat-up
- Six-position switches control each plate
- Round hot plates ensure pans cover the cooking area enabling heat to be transferred as efficiently as possible into the pan, saving energy and creating a more comfortable working environment
- Fully pressed and sealed hob for easy cleaning
- Low level rear flue to accommodate larger pans and maximise cooking area

Oven

- Twin fan assisted oven for even heat distribution and consistent cooking results
- Precise thermostatic control from 130°C to 265°C
- Removable oven base, side and top liners for easy cleaning
- Five shelf positions and three chrome plated shelves to accommodate 6 x 1/1GN dishes
- Side opening doors give safe, easy access

Inclusive Accessories

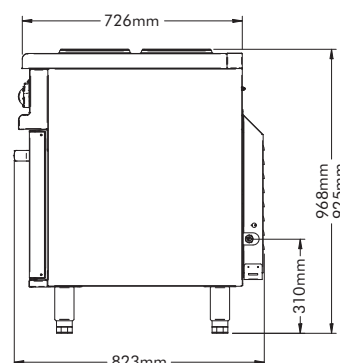

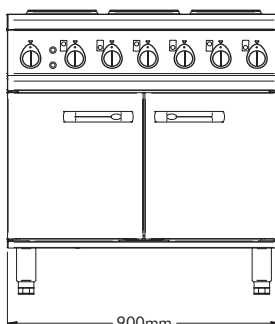

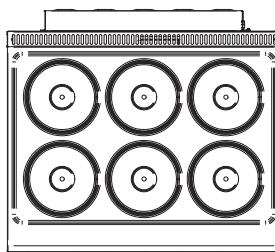

- Three chrome plated shelves

Optional Accessories

- **OA7902** - Splashback/plate shelf
- **OA7941** - Flue extension

Technical Specifications

Description	Electric Range
Product Code	OE7016
Overall height, including pan supports (mm)	925 - 980
Height to hob (mm)	900 - 955
Width (mm)	900
Depth, including handles and fan housing (mm)	823
Total electrical power rating (kW)	21.6
Electrical requirements	3 phase
Voltage (1 - 3 phase)	- / 400V
Amps per phase	31.0/ 31.0/ 31.0
Weight (kg)	155
