

The Lynx Prime contact grill is perfect for cafes and pubs, grilling everything from sandwiches to meats with ease. Designed for high-output service, it features a single adjustable head for efficient cooking. The ribbed enamelled cast iron plates create branding marks and ensure even heat distribution. Its plug-and-play design allows quick setup for fast service.

Made from durable stainless steel and cast iron, it offers reliable performance. The adjustable swivel head, variable heat control, and digital timer provide precise cooking. The counter-balanced top plate optimises space, while the removable grease tray makes cleaning simple. Ideal for sausages, bacon, sandwiches, and more.
