The Crustastun is a groundbreaking appliance designed to revolutionise the way we stun crustaceans. Unlike traditional methods, this innovative device ensures the humane treatment of lobsters, crayfish, and crabs before cooking. It improves the overall taste whilst maintaining the tenderness and texture of the meat.

FEATURES & BENEFITS

- 1. Tender and Flavourful Meat**
During multiple blind taste tests, the quality of meat on the plate was dramatically improved when using the Crustastun vs Boiling. This results in fresh, tender meat that offers a delectable bite with a melt in the mouth texture.
- 2. No Training Required**
Any member of kitchen staff can safely prepare a lobster or crab without fear of knife injury or boiling water.
- 3. Quick, Fast, Reliable**
The crustacean is stunned within a fraction of a second. A lobster or crayfish is ready to cook within 5 seconds and a crab within 10 seconds. The Crustastun interrupts the nerve function of the animal within 0.5 seconds, meaning the shellfish cannot feel pain making it a dramatically quicker process compared to existing methods.
- 4. Humane**
Diners are increasingly concerned with the treatment of animals and the slaughter methods used within the food industry and methods such as boiling are fastly becoming illegal.
- 5. Technologically Advanced**
The Crustastun is the result of extensive research and development alongside the University of Bristol, UK and the Silsoe Research Institute UK. The system incorporates 3 fail-safe sequential interlocking devices which ensure safety.
- 6. Easy Maintenance and Repairs**
We offer a full array of spares for the Crustastun along with a repairs service from our UK factory.

SPECIFICATION

Product code	12749-01 (UK) 12749-09 (EU) 12749-08 (US) 12749-07 (NZ)
Product description	Crustastun - S/S
Barcode	5023476070952
Commodity code	85167970
Country of Origin	UK
Product dimensions (L x W x Hmm)	500 x 470 x 270
Weight (kg)	25
Power (max watts)	1200
Material	Marine Grade Stainless Steel / Plastic
Brand	Bonzer x Crustastun
Brand	Bonzer
Dishwasher safe	Yes
Microwave safe	N/A
Oven safe	N/A
Freezer safe	N/A
Warranty	1 Year Parts + Labour

PACKAGING

Inner carton		Outer carton	
Quantity	1	Quantity	N/A
L x W x H(mm)	610 x 610 x 380	L x W x H(mm)	N/A
Gross weight (kg)	27.6	Gross weight (kg)	N/A
Net weight (kg)	25	Net weight (kg)	N/A
Barcode	5023476070952	Barcode	N/A
Material	Cardboard / Plastic / Foam	Material	N/A
Recyclable	Yes	Recyclable	N/A
