

The Lynx Prime contact grill is perfect for cafes and pubs, ideal for grilling sandwiches, meats, and more. With twin heads for high output, it's built for busy service. The ribbed enamelled cast iron plates create attractive branding marks and ensure even heat distribution. The plug-and-play design allows for quick setup, so you can start serving right away.

Durable stainless steel and enamelled cast iron construction ensures consistent performance. With an adjustable swivel head, variable heat control, and digital timer, you have precise control over cooking. The counter-balanced top plate maximizes cooking area, reducing cook times, while the removable grease tray makes cleanup easy. Perfect for sausages, bacon and sandwiches.
