

Gastronorm Roll ins

Roll in cabinets provide useful trolley loading refrigerated storage

- Stores large quantities of chilled or cooked food quickly and easily.

Glass door option

A glass door allows you to see if the unit is in use, and what's on the trolley without having to open the door, saving you time in a busy catering environment.

Industry leading design

Industry leading design offers the maximum storage capacity on the smallest possible footprint.

 Roll in refrigeration minimises food handling, **increasing the level of hygiene and food safety.**

 A range of trolleys, shelves and pans are available.
