

PRODUCT FEATURES

- Digital timer with alarm for precise cooking
- Straightforward dial temperature control with ready indicator light
- Detachable head unit for easy cleaning of the tank and element/s
- Oil drain valve for easy drainage
- Thermal safety cut-out to prevent oil burning
- Cool-touch basket grips for safe lifting of full loads
- Non-slip rubber feet for stability
- Stainless steel lid included for safe, hygienic storage
- Element protection plate to extend lifespan
- Supplied
with two cables and plugs for easy installation

The Lynx Prime 8L Twin Tank Countertop Fryer is perfect for frying chips, seafood, and desserts with everyday reliability. Fitted with two independent 2.9kW elements, it quickly recovers temperature, even with frozen food. The top-mounted dial thermostats, digital timers, and alarms ensure consistent results. Each tank is independently controlled, allowing you to cook at two different temperatures or save energy by powering down one side during quieter hours. Cleaning is easy with hinged elements and front-mounted drain taps, while the V-shaped pans optimise oil drainage. Stainless steel lids protect the oil when not in use.

Please note: each tank has a separate power lead.
