

STAINLESS STEEL SINK - DR361 FLATPACK

DIMENSIONS

This 1200mm wide stainless steel sink from Holmes is perfect for commercial kitchens, featuring a left side drainer and right side bowl, and manufactured from commercial grade 304 stainless steel. This high quality material is praised for its durability and resilience to rust and stains, meaning it is easy to clean and well presented at all times. The sink is simple to assemble and as such allows you to create practical and hygienic washing areas in your kitchens with ease. There is also strong, sturdy undershelf offering extra storage and a platform for spare utensils and stock.
