## NEW SINGLE HINGED GLASS DOOR UNDER COUNTER CHILLER

### Description

A budget cooler that not only offers ample storage but does it at a price that doesn't break the bank or your expectations! Clad in a clean white laminated exterior this low height unit fits both perfectly under and on top of counters

With bright white internal LED lighting and 3 wired shelves included as standard this impressive unit stacks up to be an unmissable purchase for any location, even more so thanks to its low energy consumption ultimately resulting in its impressive B energy classification.
