SIGNATURE STYLE

Signature Style cutlery is designed to complement and elevate casual dining. Whether you prefer a sleek, modern aesthetic or a timeless, classic setting. From contemporary designs that follow the latest trends to historic Parish patterns dating back to the 18th century, Signature Style enhances your table.

Signature Style offers great value compared to other top brands, meaning your business has a quicker return on investment when switching to Signature Style or replenishing our existing ranges already in use. All without compromising on quality or style...that's our signature.

So, whatever your vibe – casual, modern, classic, or somewhere in between – Signature Style delivers the perfect balance of design, variety, and affordability.

Technical Performance

When it comes to high-quality cutlery, stainless steel is the standard. Choosing the right stainless steel ensures both functionality and elegance, elevating the dining experience for your customers. Signature Style ranges come in two grades; 18/0 & 18/10. Knowing which grade is right for your commercial operation is the key to ensuring you get the best out of Signature Style.

18/0
Stainless Steel

18/0 Stainless Steel
Practical & Cost-Effective

Known for its affordability & durability, without compromising on appearance, with a polished finish.

Made with 18% chromium and 0% nickel, 18/0 stainless steel is a budget-friendly yet durable option.

Dishwasher-safe and ideal for high-volume environments such as pubs, casual dining, and catering services.

Magnetic properties, making it compatible with commercial cutlery sorting systems.

All products are commercial dishwasher safe

Stocked & distributed from an ISO 9001 certified UK distribution centre

Wide range of innovative designs guarantee multi-use performance

18/10
Stainless Steel

18/10 Stainless Steel
Premium Durability & Shine

Technical Performance

When it comes to high-quality cutlery, stainless steel is the standard. Choosing the right stainless steel ensures both functionality and elegance, elevating the dining experience for your customers. Signature Style ranges come in two grades; 18/0 & 18/10. Knowing which grade is right for your commercial operation is the key to ensuring you get the best out of Signature Style.

Composed of 18% chromium and 10% nickel, 18/10 stainless steel offers exceptional resistance to rust and corrosion.

The preferred choice for fine dining, hotels, and premium catering settings.

The 18/10 grade ensures long-lasting finish and superior performance, even with frequent use and washing.

A highly polished finish, with a solid feel in hand.
