Low Volume

Amana® Commercial Microwave Model AMS510DSUA

Power Output

- 1000 watts of power
- Perfect replacement for inappropriate domestic ovens used in foodservice applications

Available with Touch or Dial Controls

- **Touch controls:**
 - 20 programmable menu items simplifies cooking
 - 5 power levels and 4 cooking stages for cooking flexibility
 - Multiple quantity pad calculates the proper cooking times for multiple portions
- **Dial Controls:**
 - Timer automatically resets to zero if door is opened during heating
 - 6 minute digital timer lights up for "at-a-glance" monitoring
 - Full power only for simple operation

Easy to Use

- See-through door and lighted interior for monitoring without opening the door
- 23 liter (0.8 cubic foot) capacity accommodates a 305mm (12") platter, prepackaged foods and single servings

Certified Oven for Commercial Applications

- Tested to higher standards for a commercial rating —required by most commercial insurance policies and health inspectors
- Interlock safety switch is tested to 4 times the standard of residential ovens
- Constructed to withstand the foodservice environment, multiple users and variable ambient temperatures
- Compared to a residential oven, this oven is more powerful for faster heating and better quality results
- Engineered for a simple, "self-service" operation

Easy to Maintain

- Stainless steel exterior wrap, door, and oven interior for increased durability
- Sealed-in Borosilicate Glass shelf for easy cleaning

Service

All products are backed by the ACP, Inc.
24/7 ComServ Support Center
