

GLASS DOOR REFRIGERATED COUNTERS

Description

Take your refrigerated counter storage further with the glass door PN range from Inomak. With internal LEDs lighting up your produce for better viewing and shelves made with denser wires for easier storage Inomak really have thought of everything.

Built from high grade AISI 304 stainless steel all around and coming as standard with castors for ease of movement. An epoxy coated evaporator to resist corrosion and self-closing doors are all benefits of the PN line up of products.

Features

- High grade AISI 304 stainless steel exterior & interior, including back
- 1 x shelf supplied per door
- Internal corners rounded for easy cleaning
- Castors fitted as standard
- Replaceable door gaskets
- Self closing doors
- Epoxy coated evaporator to resist corrosion
- Internal LED lighting
