

STAINLESS STEEL SINK - DR369 FLATPACK

DIMENSIONS

The 1500mm wide flat-packed sink from Holmes features a left side drainer with right side bowl, and is easy to assemble. Manufactured with 304 stainless steel, the sink is robust, hygienic and easy to clean whilst offering high resistance to rust and staining as well as physical impact. These characteristics make the sink perfectly suited for use in commercial kitchens and allows you to create practical and hygienic washing areas. It also benefits from a strong undershelf offering extra storage for heavy items or supplies.
