

The Lynx Prime contact grill is perfect for cafes and pubs, effortlessly grilling everything from toasted sandwiches to meats. Designed for high output, it features twin heads for faster cooking. The ribbed enamelled cast iron plates create professional branding marks and ensure even heat distribution. With its plug-and-play design, you can start cooking immediately.

Built with durable stainless steel and cast iron, it delivers reliable performance. The adjustable swivel head, variable heat control, and counter-balanced top plate optimize cooking, reducing cook times. The removable grease tray simplifies cleanup. Versatile and dependable, it's ideal for sausages, bacon, sandwiches, and more.
