STANDARD ACCESSORIES

Multi-purpose blade

To chop, mince or purée cheese, chocolate, fruits, fresh herbs, nuts, tofu and vegetables. To mix pasta sauce, pesto, salsa, sauces, batters and doughs.

Made out of stainless steel, dishwasher-safe (top rack only).

Dough blade

To knead yeast doughs quickly and thoroughly.

Dishwasher-safe (top rack only).

Reversible fine and medium shredding disc

To shred potatoes, soft vegetables, cabbage, cheese, chocolate, hard fruits and hard vegetables.

Dishwasher-safe (top rack only).

External adjustable slicing knob and slicing disc

To easily adjust the slicing thickness, from thin to thick, from the outside, of soft fruits, potatoes, tomatoes, soft vegetables, cheese, chocolate, hard fruits and hard vegetables.

Dishwasher-safe (top rack only).

3.1 L BPA-free work bowl with drive pin

Dishwasher-safe (top rack only).

Hinged lid with 3-in-1 wide mouth feed tube and 3-in-1 food pusher

The hinged lid is locked by means of a latch. Sealed lid, leak-resistant work bowl with sealed handle and interlock, rounded edges and smooth finishes. For easier clean-up.

Use the small feed tube and pusher to process small or slender items, like single carrots or celery stalks. Use the large feed tube to process larger items. The 3-piece food pusher allows processing a variety of shapes and sizes.

To slowly drizzle oil into ingredients, fill the small pusher with the desired amount of oil. A small hole in the bottom of the pusher will drizzle the oil at a constant rate.

For emulsifying sauces and dressings.

Dishwasher-safe (top rack only).

Drive adapter (upper and lower)

To use with all blades and discs mounted on the drive pin in the bowl.

Dishwasher-safe (top rack only).
