

Description

The TM range of minibars are very popular for hotel rooms and boardrooms. With a silent running refrigeration system they won't keep you awake at night (or during a board meeting). Units come with internal LED lighting that comes on when the door is opened. Please note these are not suitable for shops or other areas where there is high usage.

Product Features

- Silent running refrigeration system
- Suitable for hotel bedrooms, meeting rooms and boardrooms
- LED interior light (only turns on with door open)
