MODULAR ICE FLAKERS & STORAGE BINS

Taking flaked ice production to an industrial scale the SPN range offers a huge range of production amounts with just as many storage bin options! Built from a 441 stainless steel exterior & food safe plastic interior the units front vented design are perfect for building in to existing structures while remaining easily serviceable.

MODEL	PRODUCTION /24HRS (kg)	STORAGE (kg)	COMPATABLE STORAGE BINS	REFRIGERANT	DIMENSIONS (mm)	POWER USAGE	POWER	WEIGHT (kg)
SPN125	120	-	R100, R130, R150*, R190*, R250*	R134a	H531 x W564 x D536	500W	⏻	43
SPN255	200	-	R100, R130, R150*, R190*, R250*	R452a	H531 x W564 x D536	700W	⏻	49
