Weight (kg)	15	18
Packed weight (kg)	16	20

INSTALLATION NOTES

Adequate ventilation must be provided to supply sufficient fresh air and to allow easy removal of any such products that may present a risk to health.

Please consult current legislation for details that relate to specific locations.

Install unit on a level, fireproof surface in a well-lit position. A clearance of 150mm should be observed between appliance and any combustible wall.
