

NEW STAINLESS STEEL DEEP REFRIGERATED COUNTER

Description

New for 2025 these units build on the hugely successful HBC family to offer deeper units perfect for any kitchen looking to increase their worktop space or indeed their refrigerated storage space. Including the same incredible features as the rest of the range such as lockable heavy duty castors, self closing doors with dwell position and intergrated low profile door handles.

Built with high grade 304 stainless steel these impressive units is fantastic value and a great addition to any commercial kitchen.
