

Willow

WillowTM

NEW RANGE

The natural willow wood originates from middle England and is a strong white based wood with a hidden strength making this the perfect name for our latest fine dining and banqueting offer in our renowned distinction body which exudes style and hidden strength of lasting durability.

The design creation of Willow brings together the combination of a traditional inter woven craft fused with a precision and crispness of technology creating the perfect platform for an elevated dining experience.

In 2017 the Willow collection was awarded the sought-after Red Dot seal of approval for outstanding design.

The Willow range offers multi-level presentations through a series of wide rim gourmet plates and a new modern mid rim plate, Willow provides an elevated presentation that will withstand the demands of a robust commercial environment.

The gourmet series of plates and bowls have been designed with an added depth of creativity allowing one plate cover to cleverly fit 7 items to make banqueting easy and efficient. A unique accent b&b plate is offered alongside the gourmet wide rim plates to complete the look and feel for premium spaces.

The added benefit of our distinction body allows the operator to successfully mix and match this offer with our renowned Monaco range to complete additional looks all of which are supported by our Made for Life Lifetime Edge Chip warranty supporting British manufacturing at its best.
