

**NPDF3****DOUBLE TABLE TOP  
ELECTRIC FRYER**

Simple to operate, the Parry NPDF3 double table top electric fryer delivers professional, high capacity frying without the need for hardwiring. The twin basket is easy to use and clean, the adjustable thermostatic controls are precise and responsive and the sturdy construction ensures the fryer is a valuable and reliable addition to your kitchen. The unit is supplied with drain taps for easy draining and cleaning.

## BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

## WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

[info.parry.co.uk/the-parry-warranty](mailto:info.parry.co.uk/the-parry-warranty)

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
