

> E3/22GMU84

What is the E3 Range

E3 allows you to create a fixed bar layout with energy efficiency at the heart of your design. E3 Bottle Coolers offer outstanding cooling capacity, impressive display presentation, along with market-leading efficiency: all in a single refrigeration unit.

Some Features of the E3 Range

- Lower power consumption because of robust construction and hydrocarbon refrigerants
- Increased capacity thanks to clever positioning of the integral machine unit
- Remote versions also available, please call for details

Dimensions W x D X H

1431 x 520 x 860-880 mm

Thermostat

Temperature range +2°C / +18°C,
Temperature settings +4°C / +8°C

Refrigerant

R600a

Power consumption

220 Watt

Storage capacity

344 x 33cl. Ø60mm

Door Type

2 hinged glass doors

Finish

Anthracite

Additional

2 shelves per door section
