

C4LU

CARVERY SERVERY

This attractive and versatile Parry C4LU is the perfect solution for keeping foods at hygienic and ready-to-serve temperatures. Constructed with sturdy and easy-to-clean stainless steel, the four-lamp servery unit is perfect for many self-service food outlets. With a compact width, the hot plate has ample room for serving food in gastronorm pans or other cookware – and the easily adjustable temperature control makes this unit straightforward to operate
