Description

The Interlevin LGC series offers single, double, and triple door glass chillers that match with freezers in the LGF range. These sturdy cabinets are equipped with useful features, including two vertical LED lights per door, a stainless steel base for easy cleaning, and an energy-efficient refrigeration system. The LED canopy allows for branding, and the castors provide easy mobility, while the locking feet ensure stability. The Interlevin LGC range is an affordable, versatile, and high-quality solution.
