

Exploded diagram and spare parts list (CM287)

Machine	Explode	Code	Description
Polar Multideck with Lockable Sliding doors	1	AG831	Feet
Polar Multideck with Lockable Sliding doors	2	AG830	Castor
Polar Multideck with Lockable Sliding doors	3		Front board of Base
Polar Multideck with Lockable Sliding doors	4		Middle board of Base
Polar Multideck with Lockable Sliding doors	5		Fixed plate
Polar Multideck with Lockable Sliding doors	6		Wire clip holder
Polar Multideck with Lockable Sliding doors	7		Wire clip cover
Polar Multideck with Lockable Sliding doors	8		Junction box
Polar Multideck with Lockable Sliding doors	9		Cover of Junction box
Polar Multideck with Lockable Sliding doors	10	AG829	Water Receiver
Polar Multideck with Lockable Sliding doors	11		Pipe for evaporated water
Polar Multideck with Lockable Sliding doors	12		Water level detector
Polar Multideck with Lockable Sliding doors	13	AE563	Compressor
Polar Multideck with Lockable Sliding doors	14		Cover of circuit board box
Polar Multideck with Lockable Sliding doors	15		Circuit board box
Polar Multideck with Lockable Sliding doors	16		LED Transformer holder
Polar Multideck with Lockable Sliding doors	17	AD632	LED transformer
Polar Multideck with Lockable Sliding doors	18	AG828	Drain
Polar Multideck with Lockable Sliding doors	19		Tray of heater
Polar Multideck with Lockable Sliding doors	20		Bracket of water receiver
Polar Multideck with Lockable Sliding doors	21	AG827	Heater
Polar Multideck with Lockable Sliding doors	22		Platen of heater
Polar Multideck with Lockable Sliding doors	23	AG826	Drain pipe
Polar Multideck with Lockable Sliding doors	24		Pipe clip
Polar Multideck with Lockable Sliding doors	28		Foam of Left side board
Polar Multideck with Lockable Sliding doors	25		Fixing plate for trim strip
Polar Multideck with Lockable Sliding doors	26		Connector of evaporator base panel
Polar Multideck with Lockable Sliding doors	27		Support for upper cover of base
Polar Multideck with Lockable Sliding doors	29		Support for ceiling
Polar Multideck with Lockable Sliding doors	30		Left support pillar of shelf
Polar Multideck with Lockable Sliding doors	31		Back Strip for side glass
Polar Multideck with Lockable Sliding doors	32		Top/bottom Strip for side glass
Polar Multideck with Lockable Sliding doors	33	AG825	Side glass
Polar Multideck with Lockable Sliding doors	34		Outer left trim strip
Polar Multideck with Lockable Sliding doors	35	AG824	LED Light
Polar Multideck with Lockable Sliding doors	36	AG823	Dry filter
Polar Multideck with Lockable Sliding doors	37		Bottom left shelf bracket
Polar Multideck with Lockable Sliding doors	38		Bottom shelf
Polar Multideck with Lockable Sliding doors	39	AG822	Price tag holder
Polar Multideck with Lockable Sliding doors	40		Top left shelf bracket
Polar Multideck with Lockable Sliding doors	41		Upper shelf
Polar Multideck with Lockable Sliding doors	42		Ventilated board

Exploded diagram and spare parts list (CM287)

Polar Multideck with Lockable Sliding doors	43	AG821	Condenser
Polar Multideck with Lockable Sliding doors	44		Stands for Condenser
Polar Multideck with Lockable Sliding doors	45		Foam of back cover
Polar Multideck with Lockable Sliding doors	46		Condenser cover
Polar Multideck with Lockable Sliding doors	47		Upper Slider groove for door glass
Polar Multideck with Lockable Sliding doors	48		Honeycomb Panel
Polar Multideck with Lockable Sliding doors	49		Board ahead curtain
Polar Multideck with Lockable Sliding doors	50		Ceiling board of cabinet
Polar Multideck with Lockable Sliding doors	51		PE for Upper cover plate
Polar Multideck with Lockable Sliding doors	52		Upper cover plate
Polar Multideck with Lockable Sliding doors	53		Foam of right board
Polar Multideck with Lockable Sliding doors	54		Right support pillar of shelf
Polar Multideck with Lockable Sliding doors	55		Outer right trim strip
Polar Multideck with Lockable Sliding doors	56	AG820	Right PVC door seal
Polar Multideck with Lockable Sliding doors	57		Door glass with lock hole
Polar Multideck with Lockable Sliding doors	58	AG819	Door Handle
Polar Multideck with Lockable Sliding doors	59	AG818	Lock
Polar Multideck with Lockable Sliding doors	60	AG817	Door glass
Polar Multideck with Lockable Sliding doors	61	AG809	Left PVC door seal
Polar Multideck with Lockable Sliding doors	62	AG816	Lower door trim
Polar Multideck with Lockable Sliding doors	63	AG815	Pulley
Polar Multideck with Lockable Sliding doors	64	AG814	Lower door track
Polar Multideck with Lockable Sliding doors	65		Top right shelf bracket
Polar Multideck with Lockable Sliding doors	66		Bottom right shelf bracket
Polar Multideck with Lockable Sliding doors	67		Bottom board of cabinet
Polar Multideck with Lockable Sliding doors	68		Air inlet stand
Polar Multideck with Lockable Sliding doors	69		Air inlet cover
Polar Multideck with Lockable Sliding doors	70		Front board for Evaporator
Polar Multideck with Lockable Sliding doors	71	AG813	Fan blade of Evaporator
Polar Multideck with Lockable Sliding doors	72		Fan guard
Polar Multideck with Lockable Sliding doors	73	AD629	Evaporator fan motor
Polar Multideck with Lockable Sliding doors	74		Evaporator cover
Polar Multideck with Lockable Sliding doors	75		Left wind screen of Evaporator
Polar Multideck with Lockable Sliding doors	76	AG812	Evaporator
Polar Multideck with Lockable Sliding doors	77		Right wind screen of Evaporator
Polar Multideck with Lockable Sliding doors	78		Left board of Evaporator cover
Polar Multideck with Lockable Sliding doors	79		Right board of Evaporator cover
Polar Multideck with Lockable Sliding doors	80		Connection pipe
Polar Multideck with Lockable Sliding doors	81		Base Foam of Evaporator
Polar Multideck with Lockable Sliding doors	82	AG811	Switch
Polar Multideck with Lockable Sliding doors	83-1		Temperature Display
Polar Multideck with Lockable Sliding doors	83-2		Main Circuit Board
Polar Multideck with Lockable Sliding doors	83-3		Temperature probe

Exploded diagram and spare parts list (CM287)

Polar Multideck with Lockable Sliding doors	83-5		Compressor protect probe
Polar Multideck with Lockable Sliding doors	84		Holder for Condenser motor
Polar Multideck with Lockable Sliding doors	85	AD629	Condenser fan motor
Polar Multideck with Lockable Sliding doors	86	AG810	Fan Blade of Condensator
Polar Multideck with Lockable Sliding doors	87		Flat net cover
Polar Multideck with Lockable Sliding doors	88		Front Base Panel
Polar Multideck with Lockable Sliding doors	89		Window shade components
Polar Multideck with Lockable Sliding doors	90		BS Plug
Polar Multideck with Lockable Sliding doors	91		Power cord
Polar Multideck with Lockable Sliding doors	92		PVC trucking
Polar Multideck with Lockable Sliding doors	93		Cover of terminal box
Polar Multideck with Lockable Sliding doors	94		Terminal box
Polar Multideck with Lockable Sliding doors	95		Glass guard
