

VITO VM battery

Spec sheet

Functionality:

VITO VM battery cleans your oil cordlessly in an easy and hygienic way. VITO is placed in the hot oil and filters the oil from suspended particles and bitter substances without supervision. After the set time (standard 4,5 min) VITO stops automatically and your oil is ready to be used. VITO is integrated into the VITOconnect system environment. VITOconnect gives you an online overview of productivity, services and updates.
