

# GRAM GASTRO K 1407 CSG A DL/DR L2

Product series: Gastro

Item number: 951400021

The GRAM GASTRO K 1407 CSG A DL/DR L2 is a with a net internal volume of 192 Ltr.

GRAM Gastro 07 is a series of 1/1 GN workstations, equipped with customizable sections. Furthermore, the highly modular refrigerated counter offers an abundance of practical configuration possibilities.

#### Temperature Control

Thanks to the Gram air distribution system, temperatures inside the counters always maintain a uniform and correct level.

This includes rapid temperature recovery after every door opening.

#### Modularity & Scalability

With GRAM GASTRO 07 counters you can put together your individual workplace. Choose your combination of worktop, doors, and drawers, legs /castors/electric elevation, temperature ranges and accessories.

#### Easy Maintenance

A compact slide-out refrigeration unit for easy maintenance and service access. Removable and easy to clean condenser filters and gaskets.

#### High Standard in Hygiene

- The counter almost entirely consists of smooth surfaces – the perfect design for easy, quick and thorough cleaning.
- 'Drip Nose' edges on worktops to prevent the ingress of water.
- Worktops with splashbacks to protect your counter from spillage.
- Removable drawer and door gaskets for easy cleaning.
- Pan-shaped inside base with rounded corners to catches fluid.

#### Allergy-Proof

Counters are made from nickel-free stainless steel.

#### Ergonomic and practical design

- Anti-tilt shelves and drawers with pull-out stop.
- Extra-long telescopic rails on drawers - GN trays can be lifted in and out without tilting.

## SPECIFICATIONS

|                               |                      |  |  |
|-------------------------------|----------------------|--|--|
| Temperature range             | +2/+12°C             | Energy consumption (kWh/Year)            | 430  |
