

8L STAINLESS STEEL INDUCTION FRYER WITH DRAIN TAP

Description

Efficiency is the aim of the game when it comes to the BIF and thanks to its induction heated design it achieves that and more! Besides being more energy efficient than conventional fryers the BIF evenly heats the oil in the tank and is able to sustain precise temperatures for longer periods of time, not to mention the fact that no exposed heating element means easier cleaning and maintenance.

Features

- Stainless steel construction
- Tank with rounded corners for easy cleaning
- Stylish glass fronted touch control panel with large LED display, ensures longevity and easy cleaning
- Temperature control, with an Auto-OFF timer function
- Lids and baskets supplied
- Crumb tray
- Safety cut out
- Heavy duty drain tap
