

STAINLESS STEEL SINK - DR370 FLATPACK

DIMENSIONS

The 1500mm wide flat-packed sink from Holmes is designed with a left side bowl with right side drainer, and is easy to assemble. The sink is manufactured from 304 stainless steel, used for its high resistance to corrosion and physical impact. It is also smooth, hygienic and easy to clean, making it perfect for creating practical and hygienic washing areas in a commercial kitchen. The sink also benefits from a strong undershelf offering additional storage for heavy appliances.
