

BTD130HGDA

NEW UPRIGHT HINGED GLASS DOOR HIGH EFFICIENCY MULTI-DECK

Description

With energy prices consistently rising we are often having to make the choice between running costs and capital expenses however Blizzard are here once again to save the day with the new BTD130HGDA! This impressive looking stainless steel display fridge offers an incredible A energy rating and boasts an average running cost of just £1.12 per day* compared to a comparable unit at a C energy rating costing an average of £2.96**, that's a huge yearly energy saving of over £670! If the energy saving alone isn't enough to win you over we're almost certain the huge frameless hinged glass doors that front the unit will thanks to the unobstructive view of the included product they provide.
