HIGH CAPACTIY ICE FLAKER

Blizzard

NEW HIGH CAPACITY ICE FLAKER & STORAGE BIN

Description

Displaying fresh fish couldn't be any easier since the introduction of the brand new high capacity ice flaker from Blizzard! Producing perfectly flaked ice that's ideal for showcasing fresh food, thanks to its ability to mould seamlessly around the produce keeping it fresh for longer!

Blizzard cut out the need to mix and match units with the modular set up instead opting to have an all in one system offering both ice machine and storage bin together!

3 YEAR WARRANTY
