BLACK LAMINATED WINE CABINET WITH GLASS DOOR

The WFG wine cabinet range from Vestfrost offer a stylish and practical solution for your space. The black laminated exterior works beautifully with either smoked or clear glass door, and the adjustable wooden shelves. The WFG155 and 185 come with full LED lines built into the cabinet doorframe and offer a multi temperature setting.

Featuring a user-friendly digital controller with temperature display, dual or multi temperature settings and fan assisted cooling.
