

FREE-STANDING STAINLESS STEEL HEATED CUPBOARDS

Description

Pre-heating plates or keeping warm meals ready for service is key in any kitchen or service sector and the Inomak HCP heated cupboard is the perfect candidate for this.

Built with high grade AISI 304 stainless steel, double skinned insulated sliding doors to improve efficiency, adjustable legs, one fixed perforated shelf and fan assisted heating which all contribute to create a well rounded and effective heated cupboard. Use the RE, RD & XWH gantries and heated lamps in conjunction with this product.

Features

High grade AISI 304 stainless steel exterior & interior

Double wall insulated doors

Fan assisted heating

Adjustable legs as standard

1 Fixed perforated shelf

Digital controller & display
