Description

The TFW200 is a great way to fit up to 48 wine bottle in an undercounter glass door cooler and have great looking display. Temperature can be adjusted to suit either white or red wines, allowing you to keep them at a perfect ready to serve temperature. The sleek stainless steel door frame and handle coupled with the black carcass will look great in all modern bars and restaurants. Slide out wooden shelves allow easy selection of wine while LED lights helps to keep energy bills down.

Product Features

• Stainless door frame or "frameless" option
• Single temperature zone
• Suitable for red or white wine
• Energy efficient cooling system
• Very low noise level [40dB(A)]
• LED interior light with switch
• Reversible glass door
• Wooden shelves
• Presentation shelves available as option
• Lock (TFW200-S only)
