

Chiller or Freezer

**VENERE NV**

**VENERE NS**

Switchable Cooler / Freezer

Cooler Option Available

### Description

The Venere NV is a versatile display cabinet that can be set between +5 and -22 (so an be used as a chiller or freezer). The adjustability of the temperature allows a wider range of products to be displayed depending on seasonal variation and market trends. The Venere NS is a static cooled display freezer. Each shelf is refrigerated to ensure even cooling over the whole cabinet. By not having a fan assisted unit helps to stop drying out of more delicate product. Great for ice cream cakes and other frozen desserts.

### Product Features

- NV = Freezer / Cooler, NS = Freezer only
