

ST500

Description

A quality solidly built commercial display chest freezer from TEFCOLD. The ST range comes with a flat double glazed glass hinged lid with a robust aluminium frame. A hinged lid is often preferred as customers are less likely to leave a hinged lid open compared to a sliding lid, reducing energy consumption and helping to stop ice forming in the freezer. The cabinet comes with castors fitted as standard. Available in 4 sizes to suit all situations. Ideal for smaller convenience stores, corner shops for storage of ice cream and frozen foods.

Product Features

- Flat hinged lid
- Static cooling
- Castors
- Defrost drain

Technical Specifications

Temperature Range (°C)	-24 to -14
Refrigerant	R290
Type of Defrost	Manual
Exterior Finish	White
Interior Finish	White
Power	13 Amp
Max Ambient	30°C at 55% RH
Climate Class	4
