

An ideal companion to Lynx 400 and Silverlink 600 electric appliances, the wall-mounted Lincat Fume Filtration Unit is designed to reduce grease deposits and remove cooking odours to create a clean and fresh working environment. A great solution for smaller kitchens with no gas appliances, its powerful centrifugal fans effectively pull fumes and other air contaminants through a three part filtration system.

Lincat *Specialist*

PRODUCT FEATURES

- Wall mounted fume filtration unit
- Ideal for any food business using electric catering equipment
- Reducing airborne grease particles and removing cooking smells
- Only electric appliances with a power rating up to 14kW
- Not suitable for use with gas appliances
- Easy to clean, filters need changing periodically
- Ideally placed above Lincat's Lynx 400 and Silverlink 600 products
