

1925

CHIP SCUTTLE

The Parry 1925 chip scuttle is an attractive and hygienic solution for storage of chips and fries once cooked. Featuring a perforated base plate, the chips are kept warm, crispy and ready to serve. Made from stainless steel and with simple dial controls, the scuttle is incredibly easy to use and helps preserve food quality and reduce waste.

KEY FEATURES

- Simmerstatically controlled
- Folding hinged lid
- Removable drain plate
- Manufactured from high grade stainless steel with cool to touch exterior

AVAILABLE ACCESSORIES

- Scoop

BUILT FOR PURPOSE IN BRITAIN

With a 40-year heritage steeped in British craftsmanship, we specialise in bespoke stainless steel catering equipment. Supporting the UK economy – 95% of our products are manufactured at our Draycott factory – we believe in high quality equipment designed for daily use.

We're committed to collaborating with you, and we're constantly looking for ways to help you achieve maximum benefit from your relationship with us. That's the philosophy behind the Parry Partnership, which we've created to ensure that we exceed your requirements and help drive the growth of your business.

WARRANTY AND SPARES ARE BACK IN-HOUSE

After listening to your views and taking on board your feedback, we took the decision to bring our warranty service back in-house. What's more, we've extended it to two years (including parts and labour) across all Parry products.

info.parry.co.uk/the-parry-warranty

And with spares in-house, too, we're able to provide a complete after-sales service, combining exceptional value and speedy delivery. As a result, you have a direct link to our factory floor, which means you'll bid a permanent farewell to supply chain hassle.
