

The Lynx Prime contact grill is perfect for cafes and pubs, ideal for dishes like toasted sandwiches and grilled meats. Compact yet powerful, it handles busy periods with ease. The smooth cast iron plates provide even cooking, and the plug-and-play design gets you cooking quickly. Made from durable stainless steel and enamelled cast iron, it delivers consistent, high-quality results. With an adjustable swivel head, variable heat control, and a digital timer, you can manage cooking times precisely. The counter-balanced top plate maximises cooking area, reducing cook times, while the removable grease tray makes cleaning easy. Perfect for a variety of menu items, it's a reliable and versatile choice for any kitchen.
