

Dual
Temperature

TFW300-2F

Frameless door

Curved handle

119

Description

The TFW300-2F is a dual temperature wine cooler with “frameless” edge to edge glass door. Designed so you can store and display white and red wine at the correct temperature with white wine in the top half and red wine at the bottom. Slide out wooden shelves allow easy selection of wine. A re-designed refrigeration system helps keep the unit as quiet as possible and energy consumption low.

Product Features

- Frameless glass door
- 2 temperature zones
- Suitable for red and white wines
- Energy efficient cooling system
- Very low noise level [39dB(A)]
- LED interior light with switch
- Reversible door
- Curved stainless steel handle
- Wooden shelves
- Presentation shelves available as option
