Description

Run your business more efficiently. The Tork Xpressnap Fit® dispensers are ideal for small chains and independent restaurants that offer napkins at the table or on counter. Our most compact Xpressnap system ever has one-at-a-time napkin dispensing with similar savings in waste and napkins. Tork Xpressnap Fit® not only serves more guests between refills – compared to fastfold and counterfold systems – it also cuts inventory space and reduces unused napkins thrown-away by more than 50%.

- A full size napkin is folded to fit the small footprint dispenser
- The level indicator shows when it is time to refill, enabling 100% napkin availability. No more running out of napkins during peak times of day.
- Made with durable and easy to clean materials that reduce maintenance and labour costs.
- A durable and easy to clean dispenser reduces time for maintenance and protects napkins from dirt and spills
